COURSE DESCRIPTION

JPMC 1 Academic Japanese 1:

By the end of this course, the student will learn various tasks essential to successfully attend lectures in a Japanese university such as note-taking, how to read academic papers, report writing and presenting at a student seminar.

JPMC 2 Survey of Japanese History:

In this course students will get a brief overview of Japanese History from the beginning till Second World War. They will learn about important developments in each historical period as well as the keywords related to them.

JPMC 3 Survey of Japanese Literature:

The course introduces student to famous authors and their works. The literary pieces chosen cover various aspects of society and culture. The course therefore also provides insights to the day to day life, customs, traditions in Japan.
