GENERAL INSTRUCTIONS FOR FOREIGN STUDENTS

International students have to make considerable investments both financially and personally when they decide to study overseas. We, at the EFL University, recognize this and would like to assure you that the University offers not only excellent research resources and high quality education leading to internationally recognized qualifications, but also outstanding welfare and social facilities.

At the EFL University we are confident that we can meet your highest expectations and that we can also provide you with all the support services necessary to ensure that you have a rewarding experience here, both academically and socially. Our confidence stems from our many satisfied students, who have successfully graduated from the EFL University. We have now acquired the experience of hosting ICCR-funded students and self-financing students from a wide range of countries such as Romania, Bulgaria, Vietnam, Korea, Thailand, Tajikistan, Kyrgyzstan, Uzbekistan, Yemen, Oman, Ethiopia, Mongolia, Nepal, Bangladesh, Russia, Belgium and other countries.

At the EFL University we have three levels of programmes for international students. You can work towards an undergraduate degree (B.A. Honours), a postgraduate degree (M.A.), or a research degree (M.Phil./Ph.D.). The details of the various degrees are given under Programmes in the Face-to-face Mode and Distance mode, Hyderabad Campus, Lucknow Campus and the North-East Campus at Shillong. You can also visit our website at www.efluniversity.ac.in

COURSES AND ADMISSION PROCEDURES

Whether you are a sponsored student or a self-sponsored one, the courses that you can choose to study are the same, but the way in which you apply and the admission procedures that you have to follow are different, so we will specify these procedures separately.

CANDIDATES SEEKING SPONSORSHIP FROM ICCR

You must apply preferably in the month of December/January to the Indian Embassy/Consulate in your country, in the prescribed form, available at the Embassy itself. You can download this from the ICCR website www.iccrindia.org. All communication is only through the ICCR and not directly with the EFL University.

If you are applying for a research degree you have to submit a research proposal (synopsis) to the EFL University. This will enable us to determine the nature of your course work after you join the University.

After the formalities of the sponsorship and immigration are done and you are in Hyderabad, you must report to the ICCR local office in Hyderabad first to get your ICCR identity card. The ICCR will then give you two to three months of your scholarship amount as advance to help you settle down. Once you have got the ICCR identity card, you can come to the University, fill in the prescribed joining report form, and submit all your original certificates. You become a student of the University only after you hand in the joining report. You should register with the police at the Foreigner Regional Registration Office (FRRO) within 15 days of your arrival. The HIV clearance certificate has to be produced on arrival. Your fees will be paid by the ICCR. Research Students are given single room accommodation while B.A., M.A., PGDTE, etc., students have to share a room with another student. Married research students can opt to stay out of the campus.

Please contact the Dean, Foreign Students, The EFL University, for further details at eflu_deanfs@rediffmail.com

SERVICES FOR INTERNATIONAL STUDENTS

HOUSING FACILITIES

The University has two hostels for international students – **the Tagore International Hostel for Men** and **the Amrita Pritam International Hostel for Women.**

This temporary arrangement is available in the University Hostels or the Guest House, depending on your date of arrival. You must however inform us in advance about temporary accommodation, if

any, that you may need. For ICCR students, the ICCR Regional Office in Hyderabad looks after their initial stay and expenses.
