Online Education

1. Does all programs/courses were completed on time.	Yes
------------------------------------------------------	-----

2. Measures taken to complete the syllabus of courses and programs.		<p>The English and Foreign Languages University prepared a detailed Academic Calendar for the year 2021-2022 for all three campuses (Hyderabad, Shillong and Lucknow) in advance, specifying the period for instruction, internal assessment, semester-end examinations and declaration of results. Students were familiarized with the different stages of a course/programme and the related academic activities through orientation programmes organised at the beginning of every semester. Students are presented with elaborate and finely detailed handbooks enunciating the syllabus, the inputs, the patterns of lectures, and the schemes of evaluation. These efforts positioned the University to deal with all the challenges that Covid-19 threw up.</p> <p>During the pandemic, the University was able to make a seamless transition to online teaching and learning, and classes were conducted in accordance with the schedule outlined in the Academic Calendar, with required adaptations. The University was also able to conduct internal assessment tests and semester-end examinations that were cognizant of the needs and challenges faced by both students and teachers. The University was ready with an appropriate Learning Management System (LMS) that met the needs of the students and teachers, making optimum use of technology. The Learning Management System facilitated online enrolment of students for each course, the sharing of web links for scheduled classes, uploading of learning materials, and conducting of examinations in various formats, including proctored sit-in examinations until the commencement of classes in the face-to-face mode. The School of Distance Education also successfully adapted itself to the online mode of instruction. Additional electronic resources were made available by the University's Ramesh Mohan Library to undergraduate, postgraduate, diploma students, and research scholars to help them with their academic activities. In accordance with the orders of the UGC the University adopted a six-day week schedule of academic activities. These measures immensely helped in planning and completing the syllabus of various courses and programmes on time.</p> <p>The EFL University was one of the first institutions of higher education in India to conduct PhD viva voce examinations through the online mode. A bespoke app was designed to keep PhD scholars track the status of their thesis after submission.</p> <p>After having ensured that the students had classes that were as close to the regular mode as possible during the pandemic, the University opened for face-to-face teaching and learning of various programmes in a phased manner, equipping them well for their future careers/further studies.</p>
