

THE ENGLISH AND FOREIGN LANGUAGES UNIVERSITY

(A Central University established by an Act of Parliament)

Hyderabad – 500 007

27 April, 2020

The Honorable Vice Chancellor is glad to launch the new digital initiative, RemoteXs that facilitates remote access to e-resources of the University library for all the users of the University at Hyderabad and the Regional Campuses at Shillong and Lucknow. This facility will enable all the authorised users to access the Library's subscribed e-resources anytime, anywhere for our rightful stake in riding the digital wave and e-learning measures adopted by the Government of India from time to time.

I am happy that the RemoteXs will provide a seamless provision to all the users to log on to the information highway. I am sure that this new initiative will keep us at the battlefront of online education for braving dire circumstances that we as a nation and broadly as humanity are facing today as COVID-19.

I hope that RemoteXs will encourage you to learning, research and publishing tasks for placing our University not only on the digital map but to improve our metrics in ranking parameters at the national and international level.
