

Since 1947, Wise Wings founders have been trusted partners for schools, ensuring that every student receives the best educational content. Over three generations, our commitment to educational excellence has remained unwavering. Recognizing this evolution, we formed Wise Wings to address the unique visions and learning outcomes of today's schools. By bringing together a team of the best academicians, curriculum experts, researchers, and technology professionals, Wise Wings continues the Central Books legacy of collaboration.

Our goal is to co-create custom curriculum tailored to each school's(k-12) distinct needs, ensuring every school and student receives the education they deserve. Our USP is we co-create custom curriculums tailored to each group schools' distinct needs, ensuring every school and student receives the education they deserve. The focus is on Level of content focused on tier 1 and 2 towns for CBSE and State board schools.

Currently impacting more than 2 lakh students across 9 states in South and West of India and predominantly focused at AP and Telangana, with a mission to touch 10 Lakh plus students within the next 3 years.

Positions to be filled to strengthen the organisation.
