Course title	SEC - Reading Comprehension – II
Category (Mention the appropriate category (a/b/c) in the course description.)	a. Existing course without changes b. Existing course with revision. Mention the percentage of revision and highlight the changes made. c. New course
Course code	BASPNC153
Semester	II
Number of credits	3
Maximum intake	20
Day/Time	Tuesday: 11:15 AM – 12:45 PM Wednesday: 2:00 – 3:30 PM
Name of the teacher/s	Prof. T. Srivani

Course description	i) Course Description: To enable students to communicate coherently by reading texts of higher-level linguistic complexity to enrich relevant vocabulary to understand and express thoughts and ideas. To help students acquire the reading skills required to read and analyze written texts in present, simple past and future tenses. By the end of the course, students should be proficient in reading concise and straightforward texts to find specific, expected information. These texts will include common everyday materials such as advertisements, prospectuses, menus, timetables, emails, and short, basic personal letters. The focus is on developing skills to grasp information easily from routine written communications. ii) Objectives of the course in terms of Programme-specific Outcomes (PSO of the Programme under which the course is being offered) *Develop Textual Grasp: Enable students to comprehend Spanish texts, enhancing their ability to extract information effectively. * Expand Vocabulary: Introduce new vocabulary in context, aiding students in recognizing and deciphering words commonly used in various written materials. * Navigate Basic Texts: Equip students with skills to navigate through different types of basic Spanish texts, such as short stories, articles, and informative passages. * Interpret Cultural Nuances: Foster an awareness of cultural aspects embedded in texts. * Apply Critical Thinking: Encourage students to ask questions based on
--------------------	---

	the texts to foster deeper comprehension. iii) Learning outcomes—a) domain-specific outcomes b) value addition/ c) skill enhancement/ d) employability quotient. By the end of the course, students will: 1) Proficiently comprehend simple Spanish texts, demonstrating the ability to extract information effectively. (a) 2) By encountering new vocabulary in context, students will develop the capacity to recognize and decipher commonly used words in various written materials. (c) 3) Will acquire the skills to navigate through different types of basic Spanish texts, including short stories, articles, and informative passages. This capability contributes to their broader literacy and adaptability. (b) 4) The course will foster an understanding of cultural nuances embedded in texts, providing students with valuable insights into the cultural context of written materials. (b) 5) Students will be encouraged to ask thoughtful questions based on the texts, promoting deeper comprehension and enhancing their critical thinking skills. (c)
Course delivery	Lecture/Seminar/Experiential learning Indicative Contents: ➤ Read and comprehend simple text. ➤ Answer simple questions related to the text.
Evaluation scheme	Internal (modes of evaluation): Written 40% (Three internal assessments will be conducted during the semester, either as examinations or projects/presentations. The best two performances will be considered to be eligible and be able to appear for the semester-end exam) End-semester (mode of evaluation): Written 60% *Please note that open-book examination is permissible only for courses offered as part of MA programmes and subject to approval by the Head of the Department/Dean of the School concerned.
