CIRCULAR

Sub: Prior permission to be taken by the Students for thematic backdrop, and material meant for publicity, notice and circulation

The University has always encouraged and extended support to the students' activities and their welfare. Dastaan 2025, a Cultural and Literary festival conducted by the EFLU Students' Union (2024-2025) is expected to be conducted in that spirit.

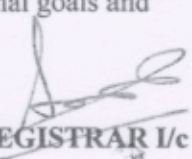

The University expects cooperation from the students through conducting and organising events in upholding the reputation of the University.

However, it has come to the notice of the University that some finer details of the thematic backdrop meant for publicity, notice and circulation related to Dastaan 2025 fest, have been kept out of the purview of the University administration, which is a prerequisite given the mutuality and the accountability of the University administration.

The University's support is due only when procedures are followed and required clearances are in place.

Hereafter, the administration hopes and expects that any material such as thematic backdrop at the venue, such as banners, posters, handouts, promotional materials related to the student activities/ events meant for publicity, notice, display and circulation which will be conducted/ organised with the patronage of and associated with the University get prior clearances/ approval from the Competent Authority.

Let us all work towards achieving the academic priorities and larger institutional goals and keep them above individual aims and objectives.
