## Terms and Conditions of Tender

1. The quotation must be in the form furnished by Procuring Entity and should be free from corrections/erasures. In case there is any unavoidable correction it should be properly attested. If not the quotation will not be considered. Quotation written in pencil will not be considered. Tenders will be considered only if they comply with the technical specifications. The firm submitting the tender should have experience in supplying electronic media equipment.
2. The University reserves the right to accept the offer by individual items and reject any or all tenders without assigning any reason thereof and does not bind itself to accept lowest quotations.
3. Manufacturer's name and country of origin of materials offered must be clearly specified. Please quote whether your organization is large scale industry or small scale industry. If you have NSIC/MSE/MSI/DGS&D/GEM Certificates, please attach it to the quotation. Mention your registration details.
4. Complete details, OEM Authorization certificates and ISI specification if any must accompany the quotation. Make/brand of the item shall be stated wherever applicable. If you have got any counter offer as suitable to the material required by us, the same may be shown separately.
5. All supplies are subject to inspection and approval before acceptance. Manufacturer/supplier warranty certificates and manufacturer/Government approved lab test certificate shall be furnished along with the supply, wherever applicable.
6. The EMRC-EFL university reserves the right to modify the quantity specified in this enquiry.
7. The prices quoted should be firm till the supplies are completed. Please quote the rates in words and figures. Rates quoted should include free delivery at destination including all charges. Otherwise, the quotation is likely to be rejected. Prices included for free delivery at destination will be given preference. If there is no indication regarding the FOR, in the quotation, then it will be considered as FOR destinations. Price quoted should be net and valid for a minimum period of three months from the date of opening of the quotation.
8. In case the items in the enquiry are covered by any rate contract or running contract finalized by the DGS&D or any other state or central Government, should be specified in your quotation and accepted contract rates should also be mentioned. It should be confirmed whether you could supply at the RC rates outside rate contract.
9. Payment of sales tax is primarily the responsibility of the seller and will not be paid unless the percentage value is clearly mentioned in the quotations. If no indication regarding CST/ST/GST

is recorded in the quotation, the CST/ST/GST will be considered as included.

10. Delivery period required for supplying the material should be invariably specified in the quotation.
11. In case your quotation is accepted and order is placed on you, the supply against the order should be made within the period stipulated in the order. The University reserves the right to recover any loss sustained due to delayed delivery and installation by way of penalty. Failure to supply and install the material within the stipulated period shall entitle Procuring Entity for the imposition of penalty without assigning any reasons @ ½% (half percent) of the total value of the item covered in order as penalty per day subject to a maximum of 5% (five percent) unless extension is obtained in writing from the office on valid ground before expiry of delivery period.
12. If the deliveries are not maintained and due to that account Procuring Entity is forced to buy the material at your risk and cost from elsewhere, the loss or damage that may be sustained thereby will be recovered from the defaulting supplier.
13. Dispute clause: Any dispute relating to the enquiry shall be subject to the jurisdiction of the court at Hyderabad only.
14. Our normal payment terms are 100% (hundred percent) within 30 (thirty) days on receipt and acceptance of material at our site in good condition and successful installation.
